

# Saving the WOD Generator to your smartphone

## iPhone:

Open Safari and visit your WOD Generator's homepage. For example [wod.henhub.com/box/cfoimbra](http://wod.henhub.com/box/cfoimbra).

Then Click "Add to Home Screen" and follow the instructions as per the screenshots.

## Android:

Open your default or Chrome browser and visit your WOD Generator's homepage. For example [wod.henhub.com/box/cfoimbra](http://wod.henhub.com/box/cfoimbra).

Then Click Options and "Add to Home Screen".
